SUBJECT: The following parcel map has been received and has satisfied all the conditions of approval that were established at the public hearing for lot line adjustment COAL 12-0068, a proposed lot line adjustment resulting in 2 lots by Augusta Tagliaferri, Lake Nacimiento. District 1.

RECOMMENDATION

It is our recommendation that your Honorable Board approve Parcel Map COAL 12-0068 a proposed lot line adjustment resulting in 2 lots, by Augusta Tagliaferri.

DISCUSSION

The above-listed map has satisfied all the conditions of approval that were established in the public hearing on the proposed lot line adjustment. The map was processed by the County Planning Department with input from County Fire, County Public Works, Environmental Health, as well as Heritage Ranch CSD, Regional Water Control Board (RWQCB), and Monterey County Parks Department.

At a public hearing, the Planning Department Hearing Officer granted tentative approval to the proposed lot line adjustment. All proposed lot line adjustments are subject to conditions of approval. The applicant has satisfied their conditions. The Real Property Division Ordinance (Title 21 of the San Luis Obispo County Code) requires that a lot line adjustment be completed and finalized by filing certificates of compliance, at the discretion of the applicant, by filing of a parcel map.

Title 21 requires that when the conditions of approval have been met, and when an adequate parcel map that is substantially in conformance with the lot line adjustment map has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk awaiting your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act.

OTHER AGENCY INVOLVEMENT/IMPACT

The Clerk is to hold the map until your Board approves it. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the map to the County Recorder. The County Recorder certifies and files the map as prescribed by the Subdivision Map Act.

FINANCIAL CONSIDERATIONS

All costs for review and certification of the parcel map are paid by the applicant based on fees approved annually by your Board. There are no additional costs associated with this action.

RESULTS

Approval of the recommended action will allow the lot line adjustment parcel map to be filed in the office of the County Recorder.
